

The Faculty of Natural Sciences III, Institute for Agricultural and Nutritional Sciences, Martin Luther University Halle-Wittenberg, invites applications for a

W2-Professorship “Animal Health Management”

The candidate should represent the specific field of animal health management in research and teaching at the Institute of Agricultural and Nutritional Sciences.

We seek an individual with a suitable professional career, recognized scientific publications and experience in farming hygiene, applied reproductive physiology, animal health care and disease diagnosis, particularly on the herd scale. The necessary skills in anatomy, physiology and health care of farm animals are required. In addition to teaching agricultural sciences the candidate is expected to teach students of nutritional sciences the production and quality assessment of animal-derived food including food hygiene and microbiology.

The focus of the animal science research of other professors in the faculty is on behavioural physiology, stress biology, genome analysis and marker-associated selection as well as on breeding methods, estimation of breeding values, animal nutrition including feed sciences, nutritional diseases and dietetics. The candidate`s research should be so focused.

Further duties of the successful applicant are listed in Article 34 of the University Act of Saxony-Anhalt (Hochschulgesetz des Landes Sachsen-Anhalt).

Applications should include a cover letter, curriculum vitae, academic certificates, description of professional career, list of publications, record of acquired research grants, and teaching record. Please also provide a resume of past and future research interests as well as concepts for research collaboration with other groups (max. 3 pages).

The complete application should be sent both electronically by e-mail (integrated pdf file less than 5 MB) as well as in paper form **on or before 9th January 2014** to the following address: **Martin-Luther-Universität Halle-Wittenberg, Naturwissenschaftliche Fakultät III, Dekan Prof. Dr. P. Wycisk, Von-Seckendorff-Platz 3, 06120 Halle (Saale), Germany. E-mail address: dekanat@natfak3.uni-halle.de**

For further information please contact Prof. Dr. Annette Zeyner (phone: +49 345 55 22716, fax: +49 345 55 27050, e-mail: annette.zeyner@landw.uni-halle.de).

Salary is according to legal and budgetary conditions. Costs of the application are not reimbursable.

The Martin Luther University seeks to increase the proportion of females among the academic staff and strongly encourages the application of qualified females. The Martin Luther University offers good possibilities to combine professional and family arrangements. Physically handicapped applicants will be favoured if they are equally qualified.
